D3C Consulting
CIAM Strategy Builder

Service Overview

The CIAM Strategy Builder is a premium service designed to help small and medium-sized businesses develop a comprehensive, customized Customer Identity and Access Management (CIAM) strategy. Unlike traditional consulting, this service offers a structured, results-driven approach, delivered in clearly defined phases with tangible outcomes.

Don't wait for a data breach
Protect your business today with
our IAM Strategy Builder.

Key Features of the CIAM Strategy Builder:

1. CIAM Readiness Assessment:

- Comprehensive Evaluation: We start with an in-depth analysis of your current CIAM infrastructure, including a risk assessment and compliance check.
- Custom Report: Receive a detailed report that outlines your current CIAM maturity level, identifies gaps, and provides actionable recommendations.

2. Customized CIAM Strategy Blueprint:

- Tailored Plan: Based on the assessment, we develop a personalized CIAM strategy blueprint that aligns with your business objectives and regulatory requirements.
- Strategic Roadmap: Includes a step-by-step roadmap with clear milestones, timelines, and resource allocation, ensuring a smooth implementation.

3. Implementation Support Package:

- Hands-On Guidance: We provide direct support during the implementation phase, including the configuration of CIAM tools like OKTA, Azure, and SAP CDC.

- Training & Documentation: Your team receives comprehensive training materials and documentation to manage the CIAM system effectively.

4. Future-Proofing & Scaling:

- Scalability Review: After implementation, we review the strategy to ensure it can scale with your business, making adjustments as needed.
- Continuous Improvement Plan: A follow-up service to periodically review and update your CIAM strategy, ensuring it stays aligned with your evolving needs.

5. Ongoing Support (Subscription Option):

- Maintenance & Updates: Continuous support to keep your CIAM framework up-to-date with the latest security practices and technology enhancements.
- Priority Access: You will have priority access to our experts for any CIAM-related issues or questions, ensuring peace of mind.

Say Goodbye to CIAM Headaches
Get a Clear, Actionable Strategy that Aligns With Your Business Goals.

How It Works

- ☐ Initial Consultation: Schedule a discovery call to talk about your business needs and challenges.

- ☐ Assessment Phase: We conduct the CIAM readiness assessment and provide a detailed report.

- ☐ Strategy Development: Receive your customized CIAM strategy blueprint and strategic roadmap.

- ☐ Implementation Support: Work with our team to implement the strategy, complete with training and documentation.

- ☐ Ongoing Optimization: Choose our subscription option for continuous support and strategy updates.

It Takes Only 30 Days to Transform Your CIAM Strategy Without Managing a Full-Time Team

Why Choose CIAM Strategy Builder?

- ☐ Structured Approach: Experience a clear, structured process with defined phases and deliverables.

- ☐ Expertise on Demand: Get access to CIAM experts without the overhead of full-time staff.

- ☐ Scalable & Sustainable: Build an CIAM framework that grows with your business, ensuring long-term security and compliance.
